

GREEN VIEW: BATTLEFIELD

BATTLEFIELD DESERVES BETTER

MAY 2024

Green Party

GREENS IN THE COMMUNITY

On our recent litter pick in Battlefield we collected **6 bags of rubbish** along the footpath by Aldi. Many of you tell us that rubbish bins and dog poo bins are needed in this area. **Sarah has asked Shropshire Council to provide them and is following it up.**

Join us for our next litter pick on **Sunday 16th June at 10am. Meet at Lidl car park, SY1 4AB.** Everyone welcome, kit provided. We recommend you bring gloves. Children need to be supervised.

POTHOLES

Potholes are a nuisance and can be dangerous. Shropshire Council says the repair work is scheduled. Even when repair work is scheduled it can take many weeks to happen.

This pothole on Alberbury Drive has opened up even though it was repaired not long ago. **Sarah is following up with Shropshire Council to ensure action is taken.**

BIG GREEN WEEK 8-16 JUNE

We're joining Cllr Julian Dean and the town council and encouraging everyone to get involved.

Come along to our **family pond dipping and mini-beast hunting session** on **Sunday 9 June from 10am-1pm**. We'll be at the open space between Peacehaven and Ramsey Meadows.

- What 3 words oasis.case.vines
- Drop in any time, no need to book.
- Wear wellies.
- Children under 16 must bring an adult.

LOCAL NATURE

Thanks to everyone who enjoyed the wood anemones in Lion Coppice!
Join our Battlefield Greens Facebook page for stunning photos of local plants and animals.

Why not share your own favourite nature picture from our local area?

Green councillors round the country **are working with local residents on ways to manage their local green spaces** so they are better for both nature and people.

We are learning from their experience and hope we can do similar things here.

GREAT WORK SARAH!

Congratulations to **Sarah** who has **received a climate change award from the Mayor** for her workshops helping people to understand the issues.

If you'd like to know more about the workshops please contact us or visit: bit.ly/climateworkshopsSY

COME AND SAY HELLO!

We'll be at the **Red Lion** on Battlefield Road **SY1 3AA** on Tuesday 2nd July from 7pm
Please join us!
