BATTLEFIELD DESERVES BETTER

MARCH 2024

Sarah Clayton and Chris Davenport, Shrewsbury Green Party Campaigners

SARAH AND CHRIS TAKE THE LEAD IN LITTER PICKING

Unsightly litter is a big problem in the area. **Sarah and Chris litter picked on Battlefield Road recently with local residents.** Most of the litter is from fast food, so **Sarah and Chris reached out to McDonald's and KFC** to ask what they do to cut down on rubbish. The companies say they have environmental policies. We say they need to act on them!

JOIN THE NEXT CLEANUP:

Friday 5th April 10am **behind Aldi on Battlefield Road.** Kids are welcome! We'll provide gear, just bring thick gloves.

ROADS AND BUSES: CALLING FOR IMPROVEMENTS

You've been telling us about traffic, road safety, and a poor bus service.

"**SHREWSBURY MOVES**" is a new plan advocating for improved buses in the north of Shrewsbury, which has a worse service than other parts of town.

Provide active travel links to the north of Shrewsbury, better serving local facilities

Green councillor Julian Dean says “we know that car ownership in the north of Shrewsbury is lower than elsewhere and **at the moment we don't have good walking and cycling routes into town**”.

Sarah and Chris are asking for a safe crossing on Battlefield Road. This would be a great way to spend some of the new government funding that was announced recently.
